MY SELF

I'm a web developer from Jessore, Bangladesh, skilled in Tailwind CSS, JavaScript, React.js, a bit of NodeJs with Express, and MongoDB. I love creating easy-to-use websites and pay close attention to details. I'm eager to contribute and learn more in a dynamic development setting.

SKILLS

Expert : HTML | CSS | TailwindCSS | Daisy UI | JavaScript | React JS

Comfortable : Node Js | Express JS | JSON | MongoDB | JWT

Familiar : Material UI | TypeScript

Tools : Git | GitHub | VS Code | Surge | Vercel | Firebase
